

Defined™ Anti-Aging Serum

Product Overview

Our revolutionary, high performance wrinkle releasing serum is a one of a kind anti-aging super formula that supports skin's natural and vital functions.

For the first time, the anti-aging and antioxidant properties of licorice root, green tea, and dragon's blood extracts are combined with CBD-Rich Hemp Oil™ and hyaluronic acid in this comprehensive formulation.

This serum is your defense against free radical damage and it's a must-have for any skin type at any age to help skin appear radiant, more even and younger. Your skin will be transformed inside and out.

Benefits

- Reduces both visible and future signs of aging and skin damage
- Visibly lifts and firms skin while minimizing the appearance of fine lines and wrinkles
- Brightens and balances skin, restores moisture and improves clarity by refining skin's texture
- Formulated WITHOUT parabens, sulfates, phthalates, dyes and synthetic fragrances
- Safe and effective

Target Market

Women and men who want visibly smoother, firmer, rejuvenated and younger-looking skin.

Our Secret

The main component of the Defined™ product line is never water or alcohol, but always our luxurious East Asian herbal formulations.

For thousands of years, the most revered doctors and herbologists of East Asia have used *bi-bong*™ formulas to rebalance and strengthen the body. These uplifting blends of natural and organic botanicals are revered for their skin-renewing properties, and include detoxifying herbs that work harmoniously with CBD-Rich Hemp Oil™ for smooth, refreshed skin.

Furthering our commitment to the most natural formulations, the CBD-Rich Hemp Oil™ in all Defined™ products comes from natural commercial hemp grown by generational farmers without the use of pesticides, herbicides, or chemical fertilizers.

Applications and Uses

Apply a small amount to clean and dry skin, including eye and neck area by lightly tapping onto the skin. For best results follow with Defined™ Anti-Aging Moisturizer. Use only as directed. Discontinue use in case of redness, irritation, or itching. For external use only. Keep out of reach of children.
