Our Secret

The main component of all Defined™ products is never water or alcohol, but always our luxurious East Asian herbal formulations.

For thousands of years, the most revered doctors and herbologists of East Asia have used *bi-bong*™ formulas to rebalance and strengthen the body. These uplifting blends of natural and organic botanicals are revered for their skin-renewing properties, and include detoxifying herbs that work harmoniously with CBD-Rich Hemp Oil™ for smooth, refreshed skin.

Furthering our commitment to the most natural formulations, the CBD-Rich Hemp Oil™ in all Defined™ products comes from natural commercial hemp grown by generational farmers without the use of pesticides, herbicides, or chemical fertilizers.
